Tigers Lose to Nationals---Treasury Nine Lands Tri-City Championship

Nationals Finally Land a Game on Tigers' Pasture

Bert Gallia Holds Jungaleers Safe and Griffmen Romp in with 6-to-3 Victory.

Detroit, September 23.—Bert Gallia, nemises extraordinary to the Tigers in 1915, recovered his old-time form today and beat Detroit, 6 to 3. The victory was the first for Washington in this city this season. The Tigers staged their usual ninth-inning rally, getting two doubles and a single after two were out, and and a single after two were out, and scoring two runs. But the Nationals were so far ahead that they didn't fret any. The only other Jungle counter was the result of a home-run by Heliman, when he bounced the ball into the center field hischers is the record. field bleachers in the second.

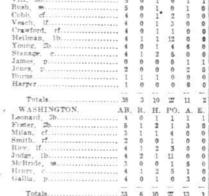

James was the first pitching nominee ntered against the Griffmen, and he proved very popular with the visitors. Then Jones, a recruit just in from the Central Association, took up the burden and performed very creditably, although he was touched up rather freely in a couple of rounds.

The scoring started in the second inhing, which was a horor from the James
standpoint. Rice led with a rousing
double to left. Judge walked without

HEALY ISSUES CALL FOR CARROLL RUNNERS

Capt. Danny Healy, of the Carroll Institute track team, has called to-day a meeting of the candidates at the Tenth Street Institute at 3 p. m. Business of importance to each member will be discussed, while plans will be made for the entering of a team in the Baltimore News marathon on October 3.

COACH SULLIVAN IS DRIVING DOWNTOWNERS

Harper batted for James and bunted to the pitcher, who handled the ball rapidly and snagged Young at third. Then Bert fanned Vitt and threw out Bush.

Coach Sullivan at present has a squad of exceptionally light material and the big factor of condition seems to be the bye-word of these afternoon work-outs. Every drill that is given the candidates finds the legs of the players playing a big part, as Sullivan insists on the crouch action at the opening of the second half, start for every move the player makes.

Coach Sullivan at present has a squad to score only three points on a field to score only three points on a field

The eighth started with an error by Vitt, who booted Judge's grounder. McBride sacrificed and Judge startled the enemy by a successful dash from first to third, whence he tallied on another single by Henry. A double play ended that funing.

The ninth found Jones more vulnerable. With one out Foster singled and Milan and Smith promenaded, filling the bases. Then Sam Rice starred again, this time smearing a single to left that brought Milan and Foster across the platter.

Heilman and Young were easy outs in Trim navy again. This is the slogan in the started again, the started again, the started specific three seasons, was out in uniform for the first time and he is a big addition to the squad, as he is an experienced player and one with plenty of weight. Walton, another local player, was the other candidate to report.

Manager Donald McKnew is looking forward to a big week starting Monday, as the squad will be given signals and scrimmage practices will be held. Four players of renown are expected to report some time this week and prospects are beginning to brighten at the downtown school.

Heliman and Young were easy outs in the Detroit half of the ninth, but that that is on tap each day at the Hillop, lidn't prevent the inevitable fireworks. Georgetown is leaving no stones unturnious singled to third and went to third ed in order to be ready for the midship-fraser for the midship-f
